

## CALL FOR PAPERS

XI International Symposium on Telecommunications – BIHTEL 2016, organized by Faculty of Electrical Engineering Sarajevo, will be held in Sarajevo, Bosnia and Herzegovina, during October 24-26, 2016. Being the eleventh in a series of biennial symposiums, BIHTEL 2016 – XI International Symposium on Telecommunications will bring together researchers from academia and practitioners from industry active in the field of Telecommunications to discuss current development and future perspectives in Telecommunications technologies. The explosive growth in telecom sector, coupled with rapid innovations in throwing up not merely technological but a whole lot of management, regulatory and socio economic challenges. BIHTEL 2016 will provide a venue for Telecommunication engineering practitioners, researchers and educators to exchange ideas on recent research work, point out the directions for future research and seek collaboration opportunities on all aspects of Telecommunications technologies.

The instructions for authors will be posted on the conference website:
